2018

Trends to look out for in 2019

In 2019, one can expect to see plenty of design elements that create a sense of order and self-awareness. Jarring colors, exaggerated proportions for illustrations, and glitches become an aesthetic all their own.

01 Colour of the year

16-1546
Living Coral

Displays a lively presence within social media

Vibrant, energetic, and uplifting

02 Brutalist Design

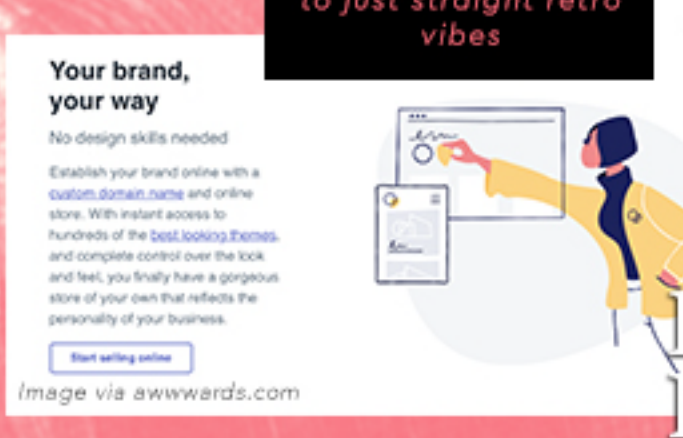
revels in jarring colours, illegibility, chaotic layouts, vast negative spaces

03 Eco Packaging

Brands adopting eco-friendly packaging as more and more consumer are environment -conscious

04 Retro Human Illustrations

Designs come in varying proportions, strange skin tones, to just straight retro vibes



05 3D Designs

3d designs reveals real world and also takes us to alternate universe and future
